Altavista Clips Raiders 61-39 In Tournament

The Altavista Colonels shot a torrid 80% in the first quarter and jumped to 20-7 lead at the end of the quarter and then put up a stiff defense to knock the Appomattox Raiders out of the Seminole District Tournament last Monday night by a score of 61-39. It was the first round of the tournament being played at Brookville and ended the season for the Raiders, who are 8-13, and kept the hopes for the Colonels alive for the regionals.

The Colonels had six different men to score in the first quarter in building up the 20-7 lead by shooting 80%, 8 for 10, from the floor and four of eight on the foul line. Mark Eggleston hit for six points in the first quarter for the Raiders as that was about all the damage they could do other than a free throw by James Reed. The Score was tied one time, 2-1, and the Raiders went almost five and a half minutes with scoring during one stretch in that quarter.

It was 33-18 at the half as the Colonels were shooting 56% when they went to the dressing room at the half to 42% for Appomattox. Ennoch Robinson had six points for the Raiders in that period as Altavista managed to outscore the Raiders 13-11. Altavista outscored the Raiders 11-9 in the third quarter to take a 44-27 lead into the last quarter. In the last quarter Hal Smith came in for the Raiders to score eight of the Raiders 12 points, but the Colonels hit for 17 points.

Mark Eggleston led the Raiders in scoring and was also high for the game with 13 points, coming on six of 11 goals from the floor and a foul shot. Ennoch Robinson and Hal Smith were next for the Raiders with eight points each, both connecting on four of seven shots from the floor.

Eddie Barnard and Danny Marsh led the Colonels with 12 points each and Bob Elliott had 10. Terry Poindexter had nine points and led the Colonels in rebounds with 10.

Altavista shot 49% for the night to 46% for the Raiders and pulled down 32 rebounds to 16 for the Raiders. Reed had five rebounds, Robinson five and Richard McCoy and Eggleston three each to lead the Raiders in that department.

Appomattox committed 23 turnovers, nine coming in the all important first quarter, to 11 for the Colonels.

Appo.	7	11	9	12	39
Altavista	20	13	11	17	61

Appo. Scoring: Eggleston 13, Reed 1, McCoy 4, Kelso 5, Robinson 6, H. Smith 8.

Altavista Scoring: Barnard 12, Booker 6, Elliott 10, Marsh 12, Poindexter 9, Burton 5, Everhart 2, Hedrick 4, Hoover 1.

Raiderettes Beat JF 43-25, Advance To Finals

The Appomattox Raiderettes got on top in the first quarter and held on at the half of a slow-down type of game by Jefferson Forest and then went into high gear in the third quarter to beat the J.F. girls 43-25 in the semi-finals of the girls Seminole district tournament at Brookville last Tuesday night. It was win number 16 this year for the Raiderettes against no defeats and 32 in a row without a lost for them.

In the first quarter, Jefferson Forest played slow down ball as both teams shot 100% from the floor, but the Raiderettes led 6-3 at the end of the quarter. Appomattox hit 3-3 and JF hit 1-1 as only four shots were taken. It was tied at 2-2 early and J.F. then froze the ball for four and one half minutes. Trish Book then stole the ball and hit McCraw under the basket and the Raiderettes never trailed after that. The tempo was still slow in the second quarter as only eight shots were taken. Appomattox hit 3 of 5 and J. F. 2 of 3 and the Raiderettes led 12-8 at the half. J. F. froze it for the last two minutes of the half for the last shot, but missed.

In the third quarter the Raiderettes came out running and outscored J. F. 15-5 in that quarter to carry a 27-13 lead into the last quarter. Appomattox hit 5 of 9 from the floor and J.F. only 2 of 6 as they went over four minutes without scoring. The Raiderettes were also 5 of 5 in free throws for that quarter. Both teams ran in the last quarter but it was to late for J.F. and the raiderettes continued to roll, outscoring them 16-12 in that quarter.

The Raiderettes hit on 17 of 32 for the game for 53% to 8 of 18 for J. F. 44%. Both teams hit 75% in the first half. The Raiderettes pulled down 13 rebounds to 10 for J. F. and committed only five turnovers to 13 for J.F.

Trish Book led the Raiderettes with 16 points, coming on 6 of 11 floor attempts and four free throws. Mary Jane Smith was next with 13, hitting 6 of 8 from the floor and a free throw, and Mary Louise McCraw had eight. Sheila Branch led J. F. with nine.

Appo.	6	6	15	16	-	43
J. Forest	3	5	5	12	-	25

Appo. Scoring: Book 16, McCraw 8, T. Smith 4, Moore 2, M. J. Smith 13.

Raiderettes Win Tournament 49-41 Over Altavista

The Appomattox Raiderettes behind the shooting of Mary Jane Smith beat the Altavista girls 49-41 for the girls' title in the Seminole District tournament at Brookville last Tuesday night. It was win number 17 for the Raiderettes this season and 33 in a row for them.

Altavista led 14-12 at the end of the first quarter as Brenda Singleton scored eight points. In the second quarter Mary Jane Smith got wound up and a good defense saw the Raiderettes go to the dressing room at the half with a 30-22 lead. Smith scored 11 of her points in that quarter as Appomattox, from late in the first quarter to intermission hit 10-10 on the foul line and out scored Altavista 20-10 in that stretch for that lead.

In the third quarter, Altavista outscored the Raiderettes 11-9 to cut the lead to 39-33, but at one point Appomattox outscored them 7-1 for a 37-23 lead before Altavista caught five to cut the lead. The closest Altavista could get was 41-37 with about 4:30 left in the game as Trish Book's foul shooting, (4-4), and Mary Jane Smith six points was enough to keep it out of reach in the last quarter.

Smith hit 10 of 14 shots from the floor and 6 of 8 free throws to lead the Raiderettes and all scorers with 26 points. She also had 13 rebounds. Trish Book had nine points Mary Louise McCraw eight for the other two top Raiderettes. McCraw also had nine rebounds.

Sectionals Tourney Schedule Set

The Sectionals Tournament for girls basketball will be played this year at Jefferson Forest High School in Forest.

The schedule is as follows: March 6th, at 6:30 p.m. the Seminole District runner-up team (Altavista) will take on the Cumberland District team and will be followed by a game on the same night at 8:00 p.m. between the Seminole District Champions, the LCHS Raiderettes, and the Roanoke Valley District Champions.

Winners of these two games will play for the Sectionals Championship title on March 9th, Saturday, at 2 p.m. at Jefferson Forest High School.

Admission for these games will be $1.50 for adults and $1.00 for students.

FIDELITY ADVENTURE

Your magic carpet to the vacation you've dreamed of. At a price you never dreamed possible.

At Fidelity we believe a bank should provide more than a money service. It should offer personal service as well. Which is why we're introducing The Fidelity Adventure, a series of exciting trips to exciting places, exclusively for Fidelity customers.

The Fidelity Adventure is timely, too. With fuel shortages restricting travel by car, scheduled airlines provide an energy-saving alternative.

Working with the world's great airlines, we've brought together choice vacation packages to glamorous countries all over the world. You can follow the sun or the snow, visit the cosmopolitan capitals of Europe or South America, and dozens of other faraway lands. All at low group rates. But with the freedom of individually planned travel.

And Fidelity makes going so easy. Because details like traveler's cheques, currency exchange, Checking Reserve travel and baggage insurance, Master Charge, even passport assistance, can be handled for you. Quickly, with no fuss or bother. The Fidelity Adventure. Unforgettable vacations from Fidelity National Bank.

7 days and 6 nights in Freeport, The Bahamas.

Freeport. Fun and games. Meet summer in The Bahamas. Soak up the sun during the day . . . take to the casinos and nightclubs after sundown. Tennis, golf, sailing, fishing and then, the pool or the world famous beaches. The Fidelity Adventure. For people who can't get enough of a good thing. From Fidelity National Bank. Departing on March 15.

$360.00* Includes all the following:

- Round-trip air transportation by scheduled carrier
- Pre-registration
- Round-trip transfers between airport and hotel
- Selected restaurant reservation service
- Special airline service desk

Turnips Grow Big In Pamplin

G. C. Maxwell, Virginia's largest beet keeper, may also grow some of Virginia's largest turnips. These samples from his turnip patch weigh 3 pounds 13 ounces and three pounds 6 ounces.

Maxwell claims they are still sound and free of pith.

First Baptist

Regular preaching services are held at First Baptist Church Sunday at 11 a.m. A wonderful message was delivered by the pastor. All present enjoyed it.

We were happy to have our visitors to worship with us and invite you to come again; also happy to have Mrs. Ella Brown out who has been in for a while. Mr. Willie Wright who has been on the sick list is getting better at this writing. Pray for all the sick and shut in getting better.

The Street Choir and Junction Lynchburg will render services at the First Church Sunday March 10 at 1:45 p.m. for the dedication of the building fund. Rev. Travis will deliver the message.

The installation service of Rev. Jones will be held March 10, 3:30 p.m. Dr. P. Lewis Peaceful Baptist Church will deliver the message. The public is cordially invited.

On March 31, 1974, at 3 p.m. there will be a Million Dollar Wedding and the climax Do you Know?" A baby contest. The public is cordially invited. Mrs. T. W. Hamlet is

On the second Sunday in January Mrs. Marie Davis, the oldest member of our church, was out for the services for the first time since she was sick home. We all were happy to see her.

The Holiness Gospel Singers of the No-Names of Pamplin, rendered service on the second Sunday in February for a benefit of the Usher Board. The sponsors were Mrs. Coleman and Miss Dillard wish to thank everyone who helped make their program a success.

Rocks

February 25 - It was quite stormy around here Friday morning. The wind did sure blow.

W. J. Tolley was operated on at Lynchburg General Hospital last Monday. A speedy recovery is wished him.

Mr. and Mrs. Bud Crain and Lou Ann went to Bluefield last week end to see their daughter, Evelyn who is a student there.

A number attended the cosmetic party in the home of Mrs. W. R. Moore on Tuesday night.

A number from here went to Pamplin Friday night to hear The Valley Four and Linda of Harrisonburg sing.

Jeanette Hipps fell last week and broke her arm.

James Martin was quite sick Friday and Saturday with a virus and continued sick on Sunday and Monday.

A shower was given Mrs. R. B. Hamlin, Jr. Saturday night in the home of her parents, Mr. and Mrs. Ernest Baldwin of Pamplin. A large crowd was present.

The Rocks Quartet went to Leawood Baptist Church in Lynchburg Saturday night.

The Rocks Quartet went to Clover Bottom Baptist Church at Nathalie on Sunday night to sing.

A speedy recovery is wished Earl Shelton's grandmother, who is in Southside Hospital in Farmville.

The Rocks Extension Home Makers Club will meet with Mrs. Rachel Ranson on March 7 at 7:30 p.m.

Sympathy is extended the Nash family and Ligon family in the death of their loved ones on Saturday.

Taxpayers Blast 'Secret' Hike In Congress Pay

The Virginia Taxpayers Association asking Virginia Senators and Representatives to stop the "automatic" $5,500 congressional pay increase scheduled for next month, which exceeds Cost of Living Council guidelines.

The state taxpayer organization, meeting in Charlottesville Saturday, Feb. 2, charged that the salary increase for top elected and appointed federal officials is "a cynical pay grab by an already highly paid elite at taxpayers' expense that will inevitably spread throughout the federal establishment and cause inflation to get even further out of hand."

The VTA noted that the 7 per cent increase "was secretly proposed by a picked group of industrialists acting in concert with the White House, and this outrageous theft of taxpayers' money has been so staged that congressmen don't even have to publicly vote for the salary increase to make it effective.

"On top of this, at a time when average citizens are suffering without relief from soaring prices and taxes, further 7 per cent congressional pay increases will take effect both in 1975 and 1976, or a total hike of $10,500 in three years, unless legislators, as well as taxpayers, stop this pay grab right now."

The taxpayer association also warned the proposals last month by a gubernatorial committee on property tax reform "will increase taxes on every residential home, farm and other non-income-producing property in the Commonwealth without identical tax increases on income-producing and speculative properties."

The VTA said inequity for homeowners would result from proposed assessment legislation forcing localities to define "market value" for homes and farms according to sales price, in contrast ot income-producing and speculative properties, which generally have received lower relative assessments not based on the sales approach to "market value."

The taxpayer organization strongly opposed advisory committee recommendations to spend $18.3 million more in taxpayer funds to implement state control of major aspects of local property taxation. The VTA also demanded that the General Assembly get a full accounting of exactly how $200,000 was spent in making the advisory committee study, "which contains misleading information designed to promote state seizure of control over important local assessment functions."

"Only a cursory examination of the quality of this study produced by the Department of Finance and its paid consultants is needed for the obvious conclusion that the Department either incompetently spent taxpayers' money or else diverted much of the $200,000 to supplement its own budget.

"Moreover, the taxpayers, who footed the bill for this power grab, were not even allowed to testify at a public hearing before the Revenue Resources andEconomic Study Commission or the Special Joint Committee on Public School Financing, which the General Assembly had assigned to this study of real property taxation. But these committees of the General Assembly never even got a dollar of the $200,000, and as a result had no public hearings."

The VTA asked the state legislature to defer any action on the advisory committee proposals until 1975, and in the interim to provide public hearings on the subject.

VTA members agreed that the education segment of the proposed $6.2 billion state budget "is inflated by an impossible 'standards of quality' formula and is the biggest single area requiring expenditure reduction."

Miss Helen O'Donnell, Virginia western area co-chairman of Stop ERA, warned that the Equal Rights Amendments would require integration of the sexes in prisons, public facilities and accomodations, and would result in loss of states' rights. A Richmond hearing on ERA will be held February 12.

Elected an additional director of the 17-member VTA board was Miss Kitty L. Reynolds, 1233 South Oakcrest Rd., Arlington.

Next meeting of th eVirginia Taxpayers Association will be at 11 a.m. Saturday, March 16 in Pantops Restaurant, Route 250 East Charlottesville.

Turf Seed Label For Virginia and Maryland

Recently a program was initiated to help identify high quality packages of turf seed that are recommended in Maryland and Virginia. It is a cooperative program with Maryland and in Virginia it involves the Virginia Extension Division, the Virginia Department of Agriculture and Commerce, the Virginia Seedsmen Association, and the Virginia Crop Improvement Association. The method used to identify these seed packages is a yellow label attached to each container about 2¾ inches wide and 2 inches high that states in bold letters MARYLAND-VIRGINIA RECOMMENDED.

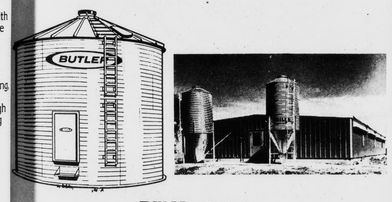
The yellow label is used to identify fine textured mixtures that consists mostly of Kentucky bluegrass varieties. The area of best adaptation is in the Northern Piedmont and west of the Blueridge areas of Virginia, the same as other recommendations for turf grasses.

A strict requirement is place on seed used in this package. Some of these requirements are as follows: 1. All seed going into the mixture must be certified seed. 2. Use varieties best adapted to this area and recommended in Virginia. 3. They must be mixed according to the current Extension Division recommendations. 4. The seed must be free of troublesome weeds and have ahigh purity and germination.

To be sure that the seed meet these requirements a sample of seed from all lots in the mixture must be tested by the Virginia Department of Agriculture and Commerce.

After all the seed lots have been tested and approved for the mixture, a representative sample from the Virginia Crop Improvement Association observes the packaging and labeling of the seed. The Virginia Cooperative Extension Service provides educational assistance with the program.

ANNOUNCING...



Bill MacIntosh

...your newly-appointed Butler Agri-Builder in COUNTIES OF APPOMATTOX, BUCKINGHAM, CAMPBELL PITTSYLVANIA AND PRINCE EDWARD.

No longer do you have to shop all around for the farm structures and equipment you need. For we are your newly-appointed Butler Agri-Builder. And we can help you solve all your farmstead automation problems . . . whatever they might be.

We are equipped to sell and erect the full line of quality Butler metal buildings, bins, tanks, and handling equipment . . . plus many related products. This means we can counsel with you independantly—with no favoritism for any certain type of product. And this results in the structure—or complete system—that's best for your farm, best for your budget. You save time, trouble and money.

We invite you to stop by and get acquainted with us whenever it's convenient for you. Ask us about our layout planning service—our complete construction service—our products—our service after the sale. Or call or write us for further information. We serve farm-related businesses as well as farmers.

GRAIN STORAGE & DRYING. Butler grain bins and accessories for in-bin systems. Also, Kan-Sun continuous flow grain dryers.

LIVESTOCK SYSTEMS. Products and know-how to plan and construct efficient, profitable systems for beef, dairy and hogs.

BUTLER FARM BUILDINGS. A full line of low-cost metal buildings for grain, machinery, livestock and other farmstead needs.
